So les the hours of deepest gloom,
When the springs of gladness fail,
And the roses in the bloom
Broop like unidoes wan and yale,
We shall find some sope that ties,
Like a silent gem apart,
Hide nor from careless eyes,
In sile garden of the heart.

Some sweet hope to gladness wed,
That will spring afresh and new,
When griefs, winter shall have fled,
Giving place to rain and dew—
Some sweat hope that breathes of spring.
Through the weary, weary time,
Budding for its blo-southig.
In the spirits golden clime.

DISEASE VANQUISHED DR. ROBACK'S SCANDINAVIAN REMEDIES.

A FTER years of study and experiment, Dr. Hoback, A the eminent Sweedish Physician, succeeded in producing a medicine from twenty-three different species of mountain herbs of his native land, which acts directly upon the causes of disease in the blood, and by restoring the corrupted fountain of life to a condition of health and purity, expels disease from the system, wherever it may be leasted, or whatever may be its character. Indigestion, nervous complaints eliptic and other fits, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, feminine weakness, pricking of the skin, symptomatic of paralysis, rheumatism, neuralgia, tumor, cancer, diabetes, institude and debility, diarrien, and all other disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscalar fiber, are uncringly cured by this preparation. It is to the MATERIUS ROBES of disease what an alkall is to an acid; it neutralizes them with absolute certainty, while at the same time it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and regenerates every animal function. Such is the nature—such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Scandinavian Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life boyond the ordinary span.

In the Scandinavian Blood Pills, will not only obliterate, and study and experiment as to what a perfect pill should be. No one can doubt their superiority after one single trial. Price of the Scandinavian Blood Pills, 25 cents per box, or five for \$1.
